Volume 56 Issue 04

APRIL 2020

Tuesday, March 17, 2020

From Dr. Richard Seagle
Senior Pastor
First Baptist Church New Bern, NC

Dear Church Family and Friends,

As the coronavirus spread reaches our county and leaders encourage faith communities like ours to consider how we respond to the rapidly expanding public health crisis, I write to you with an update on our plans at First Baptist. Our situation is rapidly changing day to day, so, please check back often for updates.

As you may know, the Governor issued recommendations for places of worship on Thursday, March 12, that included not meeting in groups over 100 people. And now the CDC, as of Sunday March 15, is recommending no gatherings over 50 people for the next 8 weeks. Finally, on Monday, March 16, President Trump requested that there be no meetings of groups over 10 in number. That, of course, affects every one of our normal Sunday and Wednesday meetings for worship, fellowship and Bible study.

Because this is such a difficult decision, our Deacon Chairperson, Ken Gray and I have consulted with deacon leaders, deacons, trustees and the other ministerial staff to determine our best response to the COVID-19 crisis.

Here are our decisions:

1. We will continue to suspend all Sunday and Wednesday Activities as suggested by the Governor's office and CDC. This will be evaluated on a weekly basis. There will be a worship service at 11 am on Sunday that you can live stream at our church's website. We are asking all church members to stay home and worship through our streaming service at www.fbchurch.com, or a week delayed at WCTI 12 television.
2. After much prayer, conversation, and discernment among staff, Deacon leaders, Trustees, Deacons, it is clear to us that the most faithful and loving expression of our commitment to God and neighbor leads us to cancel all in-person church gatherings. This includes Sunday worship, Sunday School classes, weekday small groups, all age-graded activities, Sanctuary Choir/Praise Team rehearsals, missions circles and volunteer groups, committee meetings, and special events. The called church conference for this Wednesday night, March 18 has been postponed. The youth will meet at times with Jeremy through computer video chats. The application that the youth uses for these video chats is called Zoom and is available for free at your app store. Committees and other small groups might consider this application for video chats. Those without a smart device can still call in using a regular phone. Children's lessons and studies will be made available through social media.
3. Please help our church by remaining faithful in giving. The congregation is encouraged to give online, by mail or by calling the church office and setting up a bank draft to keep the church financially stable through the crisis. You can also mail your tithes and offering to the church office at P.O. Box 1463, New Bern, NC 28563. THIS IS OF UTMOST IMPORTANCE.
4. The church office will remain open with posted entrance requirements.
 - A. We are asking anyone who has traveled to Level 2 and 3 countries, or believe that they may have been exposed to the virus in the U.S. during the last 14 days not to enter the building (Level 2 – Japan, or Level 3 – China, South Korea, Iran or Italy).
 - B. All who are experiencing fever, cough or shortness of breath should call a doctor and come back to church when they are well.
 - C. We request use of sanitizer available at the door by all who enter the building.

(continued on page 2)

(continued from page 1)

- D. Younger exposed patients of COVID – 19 have had symptoms similar to the common cold. Therefore, if you have common cold symptoms, please come back to church when you are well.
5. All small group activities are canceled. Should your small group decide to meet on its own, we ask you to follow the protocols issued by the CDC.
 6. The Family Life Center will be closed beginning March 16.
 7. In keeping with the requests of hospitals and nursing homes, the deacons and ministers will not be making hospital and nursing home visits. The deacons and ministers will continue to make contacts through phone calls and online methods to support and pray with families.
 8. The congregation will be kept updated through the website, automated calls and social media.
 9. If you have a prayer request, need, or want to share an encouragement, please email our Senior Pastor at richard@fbchurch.com. Urgent Needs? If you have any immediate needs, please call the church office or our Senior Pastor. Please do email any of our pastoral staff or call the church office if you have questions, concerns, or fears that you need to talk through. If you are included in a vulnerable population and need help with shopping for groceries, pharmaceuticals or other necessary items please let us know. We have individuals within the church who have volunteered to help. During this time, please be sure to reach out to one another and love one another. Use your phones and emails to care for one another during this time. Even though we may not be meeting in the same room, we are still the Body of Christ to one another.

Our staff and deacons will continue to discuss this issue and develop plans as the situation evolves. In the meantime, we ask you to act wisely in a way that honors the God we serve. The Holy Spirit led the apostle Paul to write these words: "The Lord is at hand; do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God" (Phil 4:5b-6). The command is "do not be anxious." The means to obey this command is given next: prayer.

Please pray for one another and for the many medical professionals, public safety professionals, educators, missionaries, and others who are affected. Pray for the Lord's protection from illness among our people. Pray for gospel opportunities to come from this outbreak. Pray for wisdom regarding ministry impact in the event of local COVID-19 cases. We want to be a church that reflects our trust in Jesus Christ and his love to our community.

As people of faith, we know we do not face this time alone or without power. We believe in a God who is the Great Physician and the Comforter. I pray God will take from us all any spirit of anxiety and grant to us a peace that surpasses all understanding. I also pray that we will be able to share with others the hope and peace we have through our relationship with Jesus.

Yours in Christ,

Richard

First Baptist Church First and Second Grade Sunday School Class was delighted to prepare emergency food kits for those in need in our community through Religious Community Services (RCS). The children were excited to know that they could do something to make a difference in the lives of others. Under the leadership of Roger Pait (Lead Teacher) and Marsha Johnston (Assistant Teacher), they have been studying many of the examples set by Jesus and the disciples, including feeding the hungry. Their hope is that this small act of kindness will be uplifting for those who receive these food kits. They will also be featured in the RCS newsletter.

Dear Parents & Church Family:

As all of you are aware of the unusual events of self-quarantine and restriction that our children, parents, and families are experiencing, let us not forget one another in our church community and in the community around us. I too am disappointed about our current circumstances with our not being able to meet together at church, with our children being out of school, with our baseball season suspended, and with the uncertainty of our Spring and Summer calendars. Let us pray for one another, keep in communication as best we can, and reach out to our church members of all ages through phone calls, texts, "snail mail", emails, and FaceTime.

I will continue to send out emails which will include lessons, devotions, and activities for our preschool, elementary and preteen children. Of course, if you have something you would like to share, please feel free to do so. I have created a new Facebook page "FBC First Kids Club" which will be a private page which you can join by request. On this page I will be posting interactive activities and you are welcome to post interactions as well.

Please contact me or any one of our Children's Committee members (Billy Townsend, Meredith Pait, Courtney Tavares, Rachel Hardy, Katie Bell or Megan Ireland) if you are in need of anything. We are here to serve you. "Make my joy complete by thinking the same way, having the same love, united in spirit, intent on one purpose."—Philippians 2:2 (CSB).

Financial Notes

In an effort to keep everyone up to date, I have been asked to include a brief update of our financial status in the newsletter. We will continue to provide updates to the congregation in the Messenger and we will consider other options as we move forward or until we can meet together safely.

Through the end of February, our year to date income was \$156,412. That puts us approximately \$10,000 behind budgeted needs for the year and it is similar to our income last year for the same time period.

Our expenses so far this year have tracked our income very closely. We have made an effort to support several of our missions' organizations, especially local missions' partners, early this year. Other expenses in Personnel, Church and Service Programs, and Buildings and Equipment have been typical of the types of expenses we normally would have.

Our Operating Fund was at \$130,294 at the end of February. Our CDs and money market funds total approximately \$580,000. We are blessed to have a healthy reserve.

We have not yet seen any significant effect of COVID-19 in our giving, but we are monitoring this closely. Nearly 70% of our income is collected on Sunday mornings, so each cancelled Sunday morning service could have an impact on our income. In order to help meet expenses, please consider the options for making your tithes and offerings that are available to all members. These options include mailing a check to the church office or electronic options though your bank or on-line services. The church office can provide you with more information regarding the electronic options.

The Finance Committee and other church leaders will be monitoring the Church's financial condition on a regular basis and, if necessary, we will be prepared to make recommendations to the church. Our goals remain the same: To support our church staff who serve us faithfully, to support our mission and ministry efforts, and to maintain the campus and support services that make these priorities possible.

In closing, we have been truly blessed as a congregation and we are in a healthy financial position. That has been made possible through your past support and we ask that everyone continue to prayerfully consider their faithful stewardship here at First Baptist Church.

On behalf of the Finance Committee,

James Garner, Chair

Dear Church Family,

Thank you all for the love, food, support and prayers you have shown our family while we welcomed Alexander into this world. We are thankful for all of the progress Xander has made thus far. We appreciate your continued prayers and loving outreach.

Dear Church Family,

Thank you for the love and support of First Baptist during the loss of our Mother and Grandmother, Catherine Bullock. The prayers, cards, and kind words have meant so much. She was blessed to be a part of the Mary Martha Sunday School class. Richard and Barry did a lovely service for her and many of you traveled to Greenville. As always, we are grateful for this wonderful Church.

God bless you all,
The Hall and Tavares Families
